

7 Ways to Have A Greener 2008!

1. Using less water when you shower will save on heating costs. Save \$150 a year!

2. Turn off the water while you brush your teeth. Save 10,000 gallons a year!

3. Recycle. Instead of throwing out waste recycle your papers, plastics, and glass.

4. Check with mom and dad to see if you can ride your bike or walk to school.

5. Plant a tree. Trees use up bad air and give us clean air to breathe.

6. Shut down your computer, TV, or stereo when they are not in use.

7. Use recycled paper and other products when possible.
